Lee,

There is settled law in the Second Circuit which is important to the successful prosecution of the action. Only an incompetent or at best quasi-competent lawyer would file in New Jersey especially if the action is already duplicative of a previously filed action.

By the way, are you ever going to pay Brad DeLuw the money you owe him from SmileDirect?

Jeff

Yes planning to file  
Jersey is where company is HQ

You gave defts a pretty easy venue motion to make to slow down your case and potentially move it to DC where the class case is pending

Dismiss and come to jersey – its not a big deal

Your pltf is very very busy anyway w/ a dozen other cases

Are you planning on filing a Section 16(b) complaint? If so, why would you file in NJ when there is already a case pending in NY?
